

UNIFORM POLICY AND FREE DRESS

Purpose

The standard of dress at Pacifica is designed to contribute positively to the learning environment through:

- Maintaining a focus on academics
- Fostering a spirit of modesty and respect for ourselves and others
- Creating a public symbol of excellence in our community

All students must wear clean clothing that fits well and is the appropriate size. Students are to maintain a neat, clean, modest and well-kept appearance at all times.

Pacifica is aware that we cannot always specify every rule for the uniform and student appearance. We expect parents and students to stand by and adhere to the uniform purpose. Pacifica Administration reserves the right to determine the appropriateness of a student's uniform and appearance.

School uniforms are purchased through Vicki Marsha.
